

# WHAT MEN ARE MADE OF

ESSENTIALS FOR MEN  
LCBC

## MAIN IDEA

The world needs men who are saved by grace.

## QUESTIONS

- Take a moment and introduce yourself and share 2 fun facts about what makes you, you.
- Jason shared at the beginning about God creating men to lead, create, and for a purpose. How have you seen that fulfilled in or neglecting by the men around you.
- Read Romans 6:23
  - When you think about the punch card of your life hopefully you can see the good moments, but how do you feel about there also being a recording of all your wrongs? What does it mean that you'll "get what you've earned" for eternity?
  - Why is it so hard to exchange your punch card for what Jesus has done for you? Why do men want to keep what they've earned verses accept what Jesus has done for them?
  - Why does this exchange bring a change of command with it? Have you made this exchange? If not why not?
- For those who have accepted grace, what makes it difficult to stay in grace vs wanting to slip back into proving we're still good enough and earned it
- How do you know if you're being faithful but for the wrong reason? How do you know if you've drifted towards becoming the older "perfect" brother?
