

Week 4

What's something you've recommended to someone recently? A show, a food, a song, a product — what was it and why were you so excited about it?

Why do you think it's easy to recommend things we like... but hard to invite someone toward Jesus? What fears or worries usually get in the way?

Who in your life has invited you toward Jesus in some way? How did it impact you?

Read Luke 9:10–17

In the feeding of the 5,000, Jesus involves the disciples in inviting people to eat. **What does that show about how God includes people in His mission?**

Why does Jesus work *through* people instead of just doing everything Himself?

Is there someone you've thought about inviting — but haven't yet? What held you back?

Brainstorm: What's a simple, natural invitation that wouldn't feel weird?

If you had to choose ONE person to pray for this week and maybe invite — who would it be?
