

Week 2

Real tree or fake tree? Let your students debate!

On a scale from "I'm ready to move on," to "I wish it would never end," how do you feel when the holidays are over?

Does the way you think about or experience your faith change at all when the holiday season is over? Tell us about it.

Why do you think it's easier to keep our faith in the forefront of our lives during Christmas?

Beyond Jesus' birth, what do you think is important about His life and ministry on Earth?

How might the rest of the year change for you if you remembered those things beyond the holidays?

What's one thing you've learned in this series about who Jesus is to you?

What's one step you can take to remember that after Christmas is over this year?
